AGRICULTURAL SHOW

Celebrating the country way of life since 1837

Update for Supporters, July 2025

*Show days coming soon!
Sun 24th & Mon 25th August*

As I'm writing this, there's a very welcome shower of rain on our office windows. In this very difficult year for grass growth, a bit of rain can't come soon enough!

I do also note though that today is St Swithin's Day, and according to legend, today's weather will be set for the next forty days. Which takes us to the first day of our show! So fingers crossed in that period we can get the showground a little greener and that we'll enjoy perfect show weather when the time comes.

Our showground team will begin preparing the site from the end of this month, working hard on the show rings and making sure we're ready for all the exciting things planned for the 2025 show. We can't wait to share this year's work with you! There's a run-down of highlights below, and a reminder about how to buy your guest badges. As ever, if you have any questions then please don't hesitate to contact us.

Don't miss...

We welcome the JCB Dancing Digger team to our Main Ring, performing twice each day with a brilliantly entertaining new routine.

Moving at a slightly more stately pace, we can highly recommend you visit our new giant tortoise display. They'll be found near the goats and are quite the spectacle!

Whilst in that area, mooch past the beautiful vintage cars and into the Poultry tent where 'Chicken Zoe' of East Sussex Smallholders can be found with a super selection of feathered friends large and small – many of which will be available for purchase if you'd like to start your own flock or add to your layers at home.

Don't miss...

There's more to see up at our Garden zone this year. The ladies of the Surrey W.I. are in their own marquee with a competition of 16 classes themed 'A Year in the Life of'. They're situated next to the Horticulture marquee which will be filled with floral art, vegetables, houseplants and more.

The Westerham Beekeepers will also be back along with new trade stand Five-Hive beekeeping equipment.

If your pampered pooch is coming out with you to the show then you can now enter our Fun Dog Show which is back by popular demand! This will be on

the Sunday from lunchtime in the large display ring opposite the Farriers' Competition.

The Farriers and the Gundog Section were the deserving recipients at the 2024 show of the Diana Barnato Walker Trophy and the Winston Churchill Memorial Trophy respectively. These are awarded to the reserve and champion best exhibits in the show. The volunteer organisers of both these sections have worked extraordinarily hard to grow their competitions and to ensure an educational and entertaining display for visitors. It takes many hours of work and is an absolute labour of love, so please do set aside time to visit and appreciate these areas and everything that goes into them.

HARWOODS
group

ALEX JONES
FUNERAL DIRECTORS

We've had a good old shake-up of the showjumping competitions on Monday. There's more unaffiliated jumping to suit enthusiastic amateurs and our Main Ring feature showjumping is a Harwoods Land Rover takeover. The popular Accumulator competition returns alongside a fun new Ride & Drive class and the crowning of the inaugural 'Land Rover Legend' champion from both classes combined.

Please keep the support going for our livestock exhibitors who are turning out in force once again for us.

The pedigree breed classes will keep the show rings busy on Sunday morning. The championships, young handlers and the ever-popular Grand Parade (kindly sponsored by Alex Jones Funeral Directors) take place on Monday. Competitors love to see crowds around the rings. If you're over near the cattle then don't miss the Water Buffalo who we hope will be enjoying the pond area by Gate 3A. Whilst there, we recommend you try an ice cream from the pink trailer of Eridge Dairy. You can see their cows showing in the dairy competitions and enjoy their delicious farm-made ice cream.

Food, glorious food!

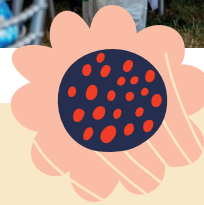

Whilst our fresh cooked breakfast in the Stockman's Marquee is legendary, we're really pleased that you can now enjoy hot breakfast offerings from the Members' Marquee too.

This will be a welcoming, quieter space where Members and Sponsors can take breakfast whilst watching the Main Ring classes. Please do support our caterer in Members by lunching in there too (buy your lunch tickets on the day) or with coffee and cake as an afternoon snack with friends.

Two course buffet lunch from £30.50 per person. Hot or cold options available.

Buy your lunch tickets on the day in the Members' Marquee.

Guest & Junior Badges

You're very welcome to order guest and junior badges so friends and family can enjoy the show with you. Each badge is valid for 1 day (either day) and provides admission to the showground and to the Members' Marquee.

Guest badges are £24 each

Junior badges are £8 each (5-15 yr olds). Under 5s enter free of charge.

Orders placed after that will need to be collected in person by arrangement, please.

We are always happy to help iron out any issues with your membership and to help you by phone if it's easier. We can set up a new Direct Debit too over the phone if you'd like to automate the process each year.
