32. Judges have been appointed to act as such in events as indicated in the competition schedule. The Committee reserves the right to appoint substitutes for any who may be unavoidably prevented from attending and all entries are accepted upon that understanding.

33. It is the responsibility of the exhibitor to note the name of the judge appointed for the classes they wish to enter and are advised, in the interests of all concerned, not knowingly to enter an animal bred by, previously owned by or with any connections to the judge appointed.

37. In the event of an Exhibitor, or anyone connected with an Exhibitor, being guilty of improper or abusive behaviour towards their animal, any official of the society or the general public, then the Chairman, Chief Steward or Show Director shall have the power

to order the offender to leave the showground and recommend that the Council shall refuse that person's entries for future shows. Should an Exhibitor be aggrieved at such action they may lodge an objection in writing for consideration after the show. Such objections shall be considered by a panel of not less than 3 members of the Society appointed by the Chairman or Vice-Chairman and their decision shall be final.

38. All of the Stewards and Committees are volunteers who dedicate their time to organising and running the Edenbridge & Oxted Agricultural Show. We kindly ask that you respect them during the event.

39. The Organisers of this show have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the Organisers and all the Officials and Stewards.

42. Force majeure: Whilst every effort will be made

# General Regulations (continued)

to ensure the event takes place as planned, if natural disaster, extreme weather, act of God, war, act or threat of terror, civil commotion, fire, disease or death of a monarch should prevent the show from running or substantially curtail its activities the show shall not be liable for any losses incurred and reserves the right to refuse refund of fees.

43. Failure to comply with any of the foregoing regulations could result in prize money being withheld, possible disqualification and refusal of entries in future years.

44. Should any questions arise not provided for in the foregoing rules and regulations, the same must be referred to the Committee, whose decision shall be final.

## Specific to Cattle

45. Cattle exhibitors will be eligible to receive a £20 transport levy for each animal forward over 12 months of age. Age determined at the date of the Show. The transport levy will be paid together with any prize money within 1 month after the show to the bank account nominated on the entry.

46. All cattle exhibitors are reminded that the passport must be brought to the Showground in respect of every animal along with pre-movement information if travelling from a TB1 area.

## Specific to Sheep

47. Each exhibitor is restricted to 4 pens per breed including a kit pen. This pen restriction is to ensure that all exhibitors and breeds are given a chance to show at the event. It is recommended that sheep are housed with a maximum of two sheep per pen, due to the possibility of heat stress in very hot weather

48. All sheep entered by an exhibitor into a Best Pair or Group of Three class must be the property of the same exhibitor and must have been entered into previous breed classes in their section.

49. Sheep Exhibitors will note that all females of all breeds except Dorset Horn, Polled Dorset and Finnish Landrace to be exhibited are: 1) non-pregnant; 2) have not lambed within 30 days prior to attending the show; 3) not subject to procedures which change the

seasonal breeding pattern.

50. All females of Dorset Horn, Polled Dorset and Finnish Landrace breeds must be accompanied by a declaration stating that each animal is 1) non-pregnant; 2) has not lambed in the previous 30 days.

51. All sheep, regardless of age or breed, must be ear tagged with the flock mark or herd mark prior to movement to the show. Sheep exhibitors are reminded to complete their AML1 forms for sheep movements coming onto and leaving the Showground, plus MV Certificates if applicable.

52. The colouring of sheep wool will NOT be permitted on the Showground. The fleece must be dry upon arrival.

53. No provisions have been made for scrapie-monitored sheep. Individuals who choose to attend do so at their own risk.

## Specific to Pigs

54. All pigs coming to the show must be accompanied by an eAML2 form. Inbound and Outbound. NOTE: Electronic Movement Licensing - eAML2 combine AML2 and FCI forms into one.

55. All pigs must be registered with their respective breed society.

56. Exhibitors must display a copy of the pig's registration certificate on the pen to verify pedigree registration and ownership.

57. All pigs must be correctly tagged and the information should match with the registration certificate displayed

58. No pigs under the age of 4 months will be entered. Piglets accompanying a sow must be at least 3 weeks of age and individually tagged.

59. Boars over 12 months of age must have tusks trimmed and be shown by 2 adult handlers (over 18 years) with proper boards and sticks/batons.

60. Handlers are required to be of smart appearance with appropriate footwear; white coats must be worn at all times in the show ring. Proper pig boards and sticks must be used. Pig boards should not show any form of individual advertising or herd names.

61. A competent person must be in attendance with each lot of pigs for the duration of the show and all

# General Regulations (continued)

attendants must comply with reasonable requests from the Stewards.

62. Boars over a year old must have sired a litter within 12 months prior to show.

Specific to Goats

63. Goat entries may be made on a printed entry from which can be downloaded from the website. Goat entries should be emailed to the Chief Goat Steward, Rachel Fox, on [rachelfoxuk2002@yahoo.co.uk](mailto:rachelfoxuk2002@yahoo.co.uk) or alternatively mailed c/o BGS, PO Box 137, Swanley, Kent BR8 9BW. All goat exhibits must be registered with the British Goat Society as in the ownership and in the name of the Exhibitor, the registered name and number being quoted on the entry form, and also the kidding date for goats in milk. The registered number of any goat initially entered as RAF (Registration Applied For) must be submitted to the Chief Steward before that goat competes.

64. All goats in milk must have kidded or aborted a minimum of thirty (30) days prior to the show. No pregnant goat will be admitted to the showground.

65. The show is open to goats from herds that are whole herd negative CAE tested within the twelve months prior to the show. Whole herd negative CAE tested means an entire herd in which all animals over one year old hold a current negative CAE test certificate, and all kids should have a current negative CAE test certificate for their dams. The show will also be open to herds that are registered as CAE Accredited under the Premium Sheep and Goat Health Scheme (PSGHS) operated by SRUC (Scotland's Rural College, previously SAC). Exhibitors must ensure that they comply with the Scheme's rules and conditions whilst on the showground.

If any herds have had a positive CAE result, they must provide two clear whole herd tests, completed since the reactor has been culled. The tests must not be more than 12 months apart and not less than 6 months apart.

Exhibitors are advised that milk that has been through the communal weigh bucket should not be fed to kids, as this has been a factor in the spread of CAE

66. All goats in milk will be stripped out to the

satisfaction of stewards by 7pm on Saturday 29th August 2026.
